VETERAN DIRECTED CARE PROGRAM

At United Veterans Hub, we are committed to helping Veterans live independently with dignity, choice, and the support they deserve while remaining safely in their homes and communities.

WHAT IS VDC?

VDC is a VA program that empowers Veterans to live independently at home while directing their own care and services with the support of a VDC provider.

Veterans enrolled receive an individualized annual budget determined by the VA based on their assessed needs.

This budget allows Veterans to choose services, supports, and caregivers that best fit their lifestyle.
